Sir,

Re - Sanction to the appointment of six additional Sweepers, permanently on a pay of Rs 14/- P M each with the usual D A Rs12/P M by the Chellakere town Municipality.

I have the honour to state that there are only 12 sweepers and 3 scavengers, at present, in Chellakere town municipality, as per the scale sanctioned by Government in their order No G O 6449-70 ml 19-16-22 dated 7-4-1917

Chellakere is a fairly big town, which is growing day by day, as a result of which, the Present staff, has proved quite inadequate to carry on the work satisfactorily

The town municipal council, Chellakere, at its meeting held on 21-4-1949, has therefore resolved that, in the interest of maintenance of public health, six additional sweepers might be appointed permanently in anticipation of sanction

The president of the town municipal council, Chellakere has reported in his letter No 48/48-49 dated 17-5-1949, that it is found impossible to carry on the work, with the present staff, which is quite inadequate, that there are many complaints in the town regarding sanitation and that, he has therefore appointed 6 sweepers permanently in anticipation of sanction, on a pay of Rs 14/- p m each with the usual D A of Rs 12/- P M He requests sanction to these appointments This additional staff has been actually appointed from 23-4-49

The extra expenditure for this item for the current year will be met out of the closing balance of the municipality and necessary provision will be made in the budgets for 49-50 and on-wards The reports received from the President town municipal council, Chellakere, a copy of the resolution of the municipal council, proposition statements in duplicate, a statement showing the receipts and expenditure of the municipality for the last 5 years, are sent herewith for favour of reference
